Dear Vince:

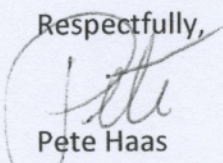

We received the outstanding donation of \$15,000.00 as the result of your Foundation's 26 September 2013 golf tournament.

As always, our Foundation is extremely honored to have received this support. Yes, the funds are superior, but the result and meaning of what you all do in honor of such a special friend – Billy Martin. This pure friendship is the best of 9/11 I have seen. There have been legions of events, clubs, etc. but it seems your love for Billy outshines them all. Many have formed, started and then with time have faded away yet you all remain strong. This is a true testament to your love and loyalty.

Our Foundation is deeply honored to receive this support and as I have pledged in the past, 100% of the funds will go towards the education of one of the tragic children we serve. It will be deposited into a \$30,000.00 account held at JPMorgan Chase in the name of one of these children.

In the condolence letter, we will, of course, name the scholarship The William J. Martin Memorial Scholarship and mention that Billy gave his life for freedom in the murderous attacks on the World Trade Center.

Respectfully,

Pete Haas
President
