Dear Operation Homefront Supporter,

On behalf of Operation Homefront and the tens of thousands of military and veteran families we serve, I want to personally acknowledge your generous gift of **\$20,000.00** made on **November 9, 2020**.

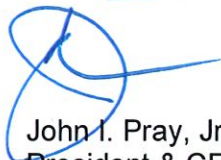

This gift helps us fulfill our important mission: to build strong, stable and secure military families, so that they may thrive in the communities they have worked so hard to protect. Our vision is to be the provider of choice for short-term critical financial assistance, long term stability, and recurring support programs for military families, and we couldn't do this without you. In 2020, this will help us achieve some very important programmatic milestones:

- Fulfill our 45,000<sup>th</sup> request for financial assistance and provide more than \$30 million in support to military families;
- Place our 700<sup>th</sup> military family into the Homes on the Homefront program and graduate our 600<sup>th</sup> military family from the program, providing more than \$85 million in deeded home equity to military families;
- Provide our 400,000<sup>th</sup> backpack with school supplies to a military child, saving families more than \$50 million in back-to-school expenses;
- Provide our 120,000<sup>th</sup> Holiday Meal to military and veteran families and serve our 500,000<sup>th</sup> individual family member.

We are committed to using this generous gift efficiently and where it is needed most. In 2019, 90% of Operation Homefront expenditures went to programs that provide support to our nation's military families.

This is what your donation makes possible.

With gratitude,

John I. Pray, Jr.  
President & CEO  
Brig. Gen. (ret.), USAF
